REPLACEMENT FUEL TANKS FOR GMC TOPKICKS & CHEVROLET KODIAKS 2003 AND NEWER

We can supply an aluminum custom made tank designed to replace the left hand 50 gallon rectangular standard tank on most 2003 and newer GMC and Chevrolet 6500, 7500, and 8500 diesel trucks.

The kit will contain all the necessary hardware, including steps and brackets, to replace the existing tank. The new tank is designed to accommodate the sending unit from the old tank and this is not included. The new tank will have a usable capacity of approximately 50 gallons.

The price including all necessary parts is **\$2,350.00**. This does not include any applicable sales taxes or freight.
